Slater were brought to town Sunday, May 9th, having reached were brought to town Sunday, May 9th, having reached with the deceased soldier died at Brooks district, on Tosesday New York from France a few days previously.

It will be remembered that the deceased soldier died at Brooks district, on Tosesday with friends in the State, and on that nation entering the war, and on that nation entering the war, and the varied of the week, and in swinging it over his aboutler to strike at a dox, this life, and was but a sile, and his winging it over the state and Stripes, were convention to the William and the Hill Artillery, Medical Detachment, and was but a sile, and the injured laid brought to town with all speed when an Kara and Stripes, were convention when the Market May 18th, from the Usion Chareb Learnent of WA, Look charges and the late of the state of the state

SEEDING CONDITIONS

Strictly Cash Better Service

ON the First of April we decided to con-duct our Garage Business on a STRICTLY CASH BASIS. In order to make this plan a success, and be fair to everybody dealing with us, we had to make it Spot Cash with no exceptions.

Each year we endeavor to be of more Service to our patrons. The Cash Basis will assist in beating the high costs which prevail, enable us to carry better stocks, and (pass the saving on to you by giving Better Service without increased cost,

We ask you to co-operate with us and feel sure it will benefit all.

Ponoka, May 15.

Dear Sir,-May I ask for a little enlighten-Dear Sift,—
May I ask for a little enlightenment through your valuable paper as to the reason for the crection of the uncalled for and unsightly beard fence round the property which was recently acquired by the beard fence of a park. There are rumours that it is to be used for a base-ball ground. If so, why the loand fences, and was the property purchased for one and enjoyment purchased for one and enjoyment of the use of an exclusive fow.

If the place belongs to the town every effort should be used to provide findlines for the children of the control of the use of an exclusive fow.

Australian Aborigines Have Ur Disputes

Handaches, neuralgia, sleepless-ness, nervous spells, irritability, tired, worn-out feelings, soon disap-pear when the vigor and energy of the nerves are restored by the use of this great food ours.

50 cents a box, 6 for \$2.75, all dealers, or Edmanson, Bates & Co., Life., Toronto.

Habits are nequired early in life. Children, who are taught the value of money and the habit of saving, grow up into good business men and capable women.

The easiest way to teach children to save, is to start a Savinga Acount for each child (\$1.00 each is sufficient). After a child has saved another doint to make an additional deposit, he or she will have a better appreciation of just what does not have the compensation of the control of the children of the control of the children of the control of the children of the c
